

Pappas Telecasting
Companies'
'donation' of
\$325,000 in airtime
to Republican
candidates is
deplorable. Pappas
uses the airwaves
free of charge. They
have an obligation
to be bi-partisan or
in the very least to
offer a similar
amount of
time/advertisement
to opposing parties.
It is a completely
inappropriate venue
and their partisan
policy-pushing
should be
reprimanded.

Sincerely,
Janina Botchis
